Zachary Felcyn

Pullman, WA 99163 • 2533946971 • zachary.felcyn@wsu.edu

Professional Summary

As a sophomore pursuing a degree in computer science, I am actively seeking an internship opportunity to gain practical experience in the field. I possess foundational knowledge in programming, data structures, and problem-solving, acquired through my coursework. I am enthusiastic about applying these skills in a professional setting, eager to collaborate within a team, and committed to contributing effectively to projects. With a strong desire to learn and adapt to new technologies, I aim to make a valuable contribution to your organization while furthering my education and career in computer science.
